Mandya, Karnataka - 571415, India

CAREER OBJECTIVE

Seeking a position in the field of Computer Science where I can utilize my skills to further work towards personal and professional development and contribute towards the prosperity of the organization.

EDUCATION

- Mysuru Royal Institute of Technology** Nov 2022- present
Bachelor of Engineering in Computer Science
CGPA: 8.44/10.00
Mandya, India

PROJECTS

Museum management system: [DBMS Project]

Tools: [HTML, CSS, Javascript, PHP, Mysql]

- Developed a web-based museum management system to efficiently handle exhibits and visitor information
- Utilized PHP and MySQL for streamlined data management, resulting in optimized exhibit handling.
- Created both admin and user modules to facilitate easy management and ticket generation
- Implemented CRUD operations to analyze and maintain real-time status updates for exhibits and visitors

AppHub – Mini App Store Platform ([Link](#))

- Tools: HTML, CSS, Javascript, firebase
- Developed a lightweight app store that allows users to browse, search, and launch apps without installation. Features include categorized app listings, in-app launch via file paths, and a Google Play store like UI with app cards and navigation bar.

AI system for real time language interpretation for the deaf and hard of hearing

- AI-powered system that translates sign language gestures into text and speech using deep learning and computer vision.
- Implemented real-time hand gesture recognition with CNN, MediaPipe, and OpenCV, and integrated speech-to-sign conversion using web technologies.
- Aimed at enhancing communication for deaf and hard-of-hearing individuals through a dual-mode interpreter.

TECHNICAL SKILLS

- Programming Languages:** BASIC Python, C, java
- Web Technologies:** HTML, CSS.
- Database Systems:** Mysql.
- Soft Skills:** Analytical thinking, Project ownership.

CERTIFICATIONS

- ARGONYX'24 : Participate in ARGONYX'24 24-hours hackathon ([certificate](#))
- IGNITEX: Participate 24 hour National level Hackathon ([certificate](#))
